A screenshot from the game 'The Sims' showing a top-down view of a residential lot. On the left, there is a house with a brown roof and a chimney. To the right of the house is a large, rectangular garden area with a green lawn and several trees. A small, white, rectangular object, possibly a bench or a small structure, is placed in the garden. The game's interface is visible at the top and bottom of the screen.

**WAR HAS NEVER BEEN SO MUCH FUN...**
